Open Source Community Engagements

Helping spread the word about Mozilla

Believes in making the web a better place. Loves talking about Mozilla.
Mozilla Representative since November, 2015. Contributor to Mozilla's web projects like the Mozilla Developer Network, firefox10.org etc. Focuses on bringing more developer contributors in Mozilla.

Interest and Hobbies

Coding

One of these few geeks who love coding as a relaxation. Dabbles in esoteric languages whenever bored. Aspires to make Java the mother tongue someday.

Blogging

Writes whenever there is a chance, usually on technology-related topics at foxt7ot.github.io, and tweets from [@foxt7ot](https://twitter.com/foxt7ot).

Movies

I am a movie buff, Ask anybody who knows me, What does Yaseen do besides coding and they will answer without a pause "Movies". Usually prefer Hollywood movies over Bollywood. Favorite Genre: Science Fiction, Horror, Action, Adventure, Thriller and what not.

Reading

Usually read about in deep of any programming language like for Java, How GC, JVM works and for JavaScript How DOM, Closures, Prototype works? Read Fiction, Non-Fiction and sometimes webcomics like XKCD.

Can Talk, Will Travel

Likes to spread awareness about the open web & Mozilla. Willing to travel if invited. Also, loves travelling for pleasure.

Humour

Can't stop showing strong bursts of humour at usually undesired situations. Throw me some humour and you will get it right back.

Academics

B.E. Computer Science [2011-15]

Mahakal Institute Of Technology, Ujjain
